TIMES CHANGE. SO DO WINES.

A new way to classify wine according to its intensity, a new design that speak's to Raimat's core values (quality, authenticity, ecology) and a lifetime commitment to organic farming and winemaking...

The Guarantee of the Right Choice.

High in the sky on their way to the town of Saira, the storks gaze at the vines and they suddenly feel more peaceful.

The familiar vista tells them they are almost home.

At the break of dawn, the rosewashes around the vines glisten.

The fresh soft dew crowns their petals awaiting the wine that is to come.

There is nothing more peaceful than seeing the melted water run down from the snowy summits caressed by the sun.

There is no richer earth than that underneath these sacred waters where growing conditions are optimal.
