Septima

Chardonnay 2015

#67666 | \$87.96

Fresh, fruity and complex, with flavors that suggest green apple, tropical fruit and vanilla.

Malbec 2015

#67664 | \$87.96 \$79.88/5

Fresh cherry and toasty aromas on the nose. The finish is smooth and very balanced with soft, delicate tannins.

Cabernet Sauvignon 2015

#67665 | \$87.96

Complex and spicy, the flavors evoke a fresh red fruit character reminiscent of red bell pepper. The finish is complex with notes of graphite, coffee and vanilla.

Obra Malbec 2014

#67667 | Six Pack | \$90 \$72.98/2

The Reserve wine of Bodega Septima. Bright, intense violet red color. The nose is elegant and complex with notes of blackberry and plum jam. Subtle wood mixed with fruit flavors. Fresh due to its natural acidity. Fruity with sweet and rounded tannins. Balanced and intense with a clear varietal character.

Gran Reserva 2014

57% Malbec, 33% Cabernet Sauvignon, 10% Tannat

#67668 | Six Pack | \$180 \$135/5

Deep red with violet shades. Well defined and elegant. Aromas of ripe red berries, spice, minerals and a subtle but persistent floral note. Delicate wood notes are well integrated with the fruit. Firm and mature tannins add great volume to the wine. The toasty flavor from oak aging combines with the fruit to result in remarkable balance. A persistent and long finish. Once fermentation is complete, lots of wine are placed in new French and American oak barrels for 18 months, then the distinct varietals are blended, bottled and cellared for an additional six months.

Marsanne 2015

#67150 | \$140

This pleasant, lively wine is lighter straw in color, with hints of gold. Bright aromas of apple blossom, honeysuckle, lemon and white peach are edged by a note of dried herbs. The wine is dry with fresh acidity that infuses the fruit on the palate with freshness and lingers on the stony finish.

Marsanne Museum Release 2010

#67153 | \$188

Gleaming green-gold; a lovely wine, with the best bits of youth and incipient maturity added to its mix of honeysuckle and perfectly balanced citrusy acidity.
