#### Gran Reserva 2014

57% Malbec, 33% Cabernet Sauvignon, 10% Tannat

Deep red with violet shades. Well defined and elegant. Aromas of ripe red berries, spice, minerals and a subtle but persistent floral note. Delicate wood notes are well integrated with the fruit. Firm and mature tannins add great volume to the wine. The toasty flavor from oak aging combines with the fruit to result in remarkable balance. A persistent and long finish. Once fermentation is complete, lots of wine are placed in new French and American oak barrels for 18 months, then the distinct varietals are blended, bottled and cellared for an additional six months.
